

# CROOKED CREEK HORSE PARK REGULATIONS

*Welcome to CCHP established in 1978 by*

*Fort Armstrong Horsemen's Association, Inc. at Manor Recreation Area*

1. Please observe the various signs posted around the park: **NO SMOKING, PLEASE DO NOT TIE HORSES TO TREES, NO PARKING.** We use as few parking signs as possible so there will be ample parking; however, they are needed to keep things moving properly.
2. **SMOKING and OPEN FLAMES or FIRE IS PROHIBITED IN OR NEAR ALL STALLS AND BARNs.** Minimum: 20 feet from structures.
3. **Pets:** Pets must be leashed and under control at all times. You will be liable for all damages or harm caused by your pet. Pets are not permitted in restrooms or shower facilities.
4. Mini-bikes, motorbikes, and similar vehicles are the used with extreme caution and courtesy. Not every horse likes them.
5. All vehicles and trailers must be parked well away from any building to comply with the fire regulations and to prevent fire hazards. **Minimum: 20 feet from structures.**
6. Vehicles that will be using a generator may be requested to park in pre-designated areas.
7. Refuse: The grounds were clean when you arrived. Please help keep it that way by placing all refuse in trash containers.
8. Horses are not permitted in the picnic area next to the Administration building or on the walkway between the picnic area and the main show ring. **Please keep horses in designated areas only.**
9. If you are using a stall, please unload near the stall and move the rig to the designated parking areas as soon as possible.
10. Campers and trail riders assume all risk of loss or injury to person or property associated with horse sports and activities.

**CCHP is leased to us by Manor Township and the following rules are set forth in our lease. Fines WILL be assessed for violating these rules.**

- Alcohol is not permitted on the CCHP property or trails
- Discharge of "gray water" and/or "sanitary waste" from campers is strictly prohibited. We are not associated with Crooked Creek State Park and use of their disposal facility is PROHIBITED.
- All local fire codes must be followed - NO extraneous electrical hook-ups connected to barns. Only designated electrical hook-ups may be used for camping.

## **NON-MEMBERS**

- ❖ Camping Fee: \$30 per day for hookups.
- ❖ Primitive Camping: \$20 per day (No electrical or water hookup)
- ❖ Stalls: \$20 per weekend or use which includes stall cleaning (No bedding provided).
- ❖ Daily Use fee: \$5 per rig for non-campers using the facility

PLEASE NOTE: Stalls and hookups may not be available if the park is rented for an event.

# **CROOKED CREEK HORSE PARK at Manor Recreation Area**

## **TRAIL REGULATION**

1. Crooked Creek Horse Park is 97.5 acres. It is a separate park from Crooked Creek Park. There are no boundary markers to show where Crooked Creek Horse Park ends and where the Crooked Creek Park begins. Park rangers are adamant about *no horses being anywhere within their park except on designate trails*. If you are found riding in Crooked Creek Park and you are not on the horse trail. **YOU WILL BE FINED.**
2. You may ride anywhere within the horse park, except in the picnic area next to the administration building.
3. The marked trail within the horse park is about 3 miles long and marked with orange paint mostly on trees.
4. Outside of the horse park the trail system lies mainly inside the boundaries of Crooked Creek Park.
5. The trail is marked with spray painted white dots on trees, white arrows on roads and trees, some surveyors tape in pink, brown & white horse & rider emblems.
6. There are about 35 miles of trail. You can ride 2 loops that start and end at the horse park. The shortest loop would be the Covered Bridge-Peninsula Lollipop Trail, about 13 miles long. An 18-mile loop starts and ends at the park by way of the Covered Bridge Trail and the Boat Launch Trail. Please refer to our trail map for directions. Longer loops are made by adding trail at Cochran Mills, or **as noted on the map**, there are designated "P" parking areas in the Cochran Mills and the Cherry Run Area at the far end of the CCHP trail. Here you can ride several small loops as shown on the trail map. The trail is easier and more scenic than the trail close to the horse park. These smaller loops **include Cherry Run Loop 3.5 miles, Rearicks Crossing Loop 9.4 miles, Manor Mineral Loop 12.1 miles. Or you can combine these loops into one for a 15-mile loop.**
7. **Maps are available for sale in the Administration Building** and a large map is posted inside the Information Center.
8. Since much of the adjacent land to the horse park is **privately owned and closed to riders**, we ask that you **DO NOT leave on horseback unless you are on the designated trails**. We suggest that someone familiar with the trail to accompany you.

### **AS A USER OF THE HORSE TRAILS – You Must:**

1. Use the trail at your own risk.
2. Stay on designated trails (Orange pain in the Horse Park and white paint outside the horse park)
3. Ride safely and consider the safety of others.
4. Give vehicles and pedestrians the right of way.
5. Provide proper supervision and be responsible for your children's conduct.
6. Be aware that smoking on the trail is not approved by FAHA
7. FAHA recommends the use of hard hats on all trails.

### **THE FOLLOWING ARE STRICTLY PROHIBITED ON THE TRAIL**

**Fires – Littering – Motorized Vehicles – Drugs – Alcohol**

**Removal of Trees, Shrubs, or Flowers**

The trail requires constant maintenance and improvement. Please notify Tina Zanotto @ 724-331-4430 or AMIE EALY @ 724-321-3112 any problems you may encounter.

FAHA also has an "**Adopt-a-Trail**" program. If you would like to be responsible for maintaining and marking a portion of the trail, be it 1 mile or 10 miles, please contact Tina Zanotto @ 724-331-4430 or AMIE EALY @ 724-321-3112.
